

**\*\*CONSTRUCTION ALERT\*\***

**FULLERTON ROAD TO BE INTERMITTENTLY NARROWED TO ONE LANE IN EACH DIRECTION FOR ROADWAY WIDENING WORK**

**WHAT**

The Alameda Corridor-East Construction Authority (ACE) contractor will intermittently close northbound and southbound traffic lanes and freeway on-and off-ramps on south Fullerton Road to allow for street widening work. Upon completion of this phase, Fullerton Road will be widened to three lanes in each direction, improving traffic flow and reducing congestion as part of the Fullerton Road Grade Separation Project (see map above).

**WHAT TO EXPECT**

Traffic lanes and sidewalks will be temporarily and intermittently closed on portions of southbound and northbound Fullerton Road between Gale Avenue on the north and the eastbound SR60 Freeway off-ramp on the south. At least one traffic lane will remain open in each direction at all times. A portion of the adjacent sidewalks will also be intermittently closed with pedestrian detours provided during construction. **Access to local businesses will be maintained.** Motorists and pedestrians are urged to obey posted signs and to exercise caution while in the vicinity of construction activity. Noise, dust and vibration will be monitored for compliance with applicable limits.

**WHEN**

Work began on **Friday, September 23, 2016 at 6:00 p.m.** and is expected to be completed by **October 2017.** To minimize traffic disruptions, work will be performed in phases and most work will occur weekdays between **9:00 a.m. to 3 p.m.** Two weekend closures to reconstruct freeway ramps are planned and will occur from 9:00 p.m. Friday, through 5 a.m. on Monday, advance notice will be provided.
