

****CONSTRUCTION ALERT****

VALLEY BLVD. TRAFFIC TO SHIFT TO FINAL CONFIGURATION

WHAT

The Alameda Corridor-East Construction Authority (ACE) contractor will conduct overnight traffic lane shifts and striping work on Valley Boulevard as part of the Puente Avenue Grade Separation Project.

WHAT TO EXPECT

The contractor will remove barricades and re-stripe traffic lanes along the tapered portion of the newly constructed Valley Boulevard bridge. Traffic on Valley Boulevard will return to three lanes in each direction. **Work will require alternating traffic lanes on Valley Boulevard overnight to complete lane shift.** The middle lane will be impacted on both sides of Valley Blvd. at the bridge to construct the new median. To minimize traffic interruption, the work is being scheduled in the evening. Motorists and pedestrians should exercise caution while in the vicinity of the work area.

WHEN

Striping work will begin at **7 p.m.** on **Wednesday, November 1, 2017** and is expected to be completed the following morning by **6 a.m.** on **Thursday, November 2, 2017**. Median work and the implementation of the new traffic pattern on Valley Boulevard will occur the evening of **Friday, November 3, 2017**.
